## A READING FROM THE BOOK OF CONCORD THE FORMULA OF CONCORD, SOLID DECLARATION ARTICLE VIII: THE PERSON OF CHRIST

The human nature, after the resurrection from the dead, is exalted above all creatures in heaven and on earth. He did not lay aside His human nature, but retains it to eternity. He has the full possession and use of the divine majesty according to His received human nature. ...

Now He has ascended to heaven, not merely as any other saint, but as the apostle testifies, above all heavens. He also truly fills all things, being present everywhere, not only as God, but also as man. He rules from sea to sea and to the ends of the earth, as the prophets predict and the apostles testify. He did this everywhere with them and confirmed their word with signs. This did not happen in an earthly way. As Dr. Luther explains, this happened according to the way things are done at God’s right hand. “God’s right hand” is no set place in heaven ... It is nothing other than God’s almighty power, which fills heaven and earth. ... By this communicated power ... He can be and is truly present with His body and blood in the Holy Supper. He has pointed this out for us by His Word. ... For in Him the divine and the human nature are personally united with each other. So in Christ “the whole fullness of deity dwells bodily” (Colossians 2:9).
